Dept of Biotechnology

Vision:

The vision is to build the youth with the mind and spirit to serve the society and work for the social uplift of the down-trodden masses of our nation as a movement

Motto:

The motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self – less service. NSS helps the students develop an appreciation to another person's point of view and also show consideration to other living beings. The philosophy of the NSS is well doctrine in this motto, which underlines/ on the belief that the welfare if an individual is ultimately dependent on the welfare of the society on the whole and therefore, the NSS volunteers shall strive for the well being of the society.

The NSS program was started with the blessings of management and principal in the year 2012.

The NSS programs were conducted under the guidance and control of NSS wing VTU. The various programs conducted in the year are as listed below.
