

LIBRARY COMMITTEE

INTRODUCTION:

Library is one of the most integral units of an academic Institution since it is the fuel to the teaching-learning process. The Institution senses the duties and responsibilities towards the stakeholders looking for the best learning experience. It has constituted a library committee towards the upkeep of the learning resources. The committee constitutes of a group of persons who are empowered enough to keep the library facilities intact and ensure being the caterers to the rising demands of learning resources. The library committee consists of a librarian, assistant librarian, faculty representatives of each discipline and student representative of each discipline.

MISSION:

The committee aims to empower learning and to disseminate knowledge and information through print, audio-visual and electronic media.

OBJECTIVES:

- To facilitate communication between the library and the stakeholders
- To provide space for open discussion concerning the requirements and rising needs
- To let the stakeholders' state their views on library facilities and the changes sought for
- To advise the members regarding the role of library to support teaching, learning and research

FUNCTIONS:

- Convene meetings on regular basis with the stakeholders
- Collect feedback of the stakeholders and acting upon the feasible requests
- Tracking down the library visits and procurement/return/renewal of library resources
- Advise to bring changes in the policies of the library for the development of the unit
- Financial accountability of library collections kept transparent to the Management
- Extension of library hours during the exams
