## Bengaluru, India

### The Perfect Destination For Education

In the recent decade, Bengaluru has emerged as the 'knowledge capital' of the nation. Bengaluru is also a leading startup hub, with entrepreneurs and innovators finding here resources and exposures unlike anywhere else in the country. Home to over 200 of the Fortune 500 companies with their key research and development facilities located in this city, Bengaluru is the perfect destination for a student to be part of an acclaimed education system and get hold of an exceptional career.

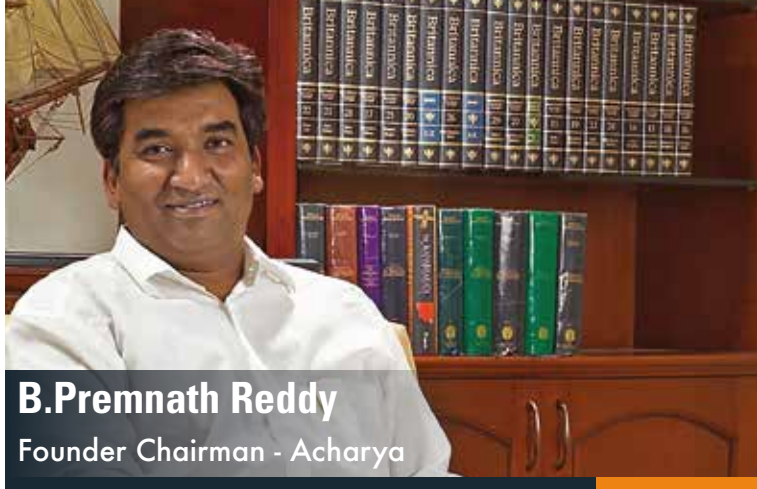

### Overview

Acharya is one of the largest academic conglomerates in Bengaluru with extensive educational opportunities that range from Engineering, Graduate Studies, to Nursing, Pharmacy, Design and much more. All the constituent institutions are dedicated to provide recognised world-class education in respective fields. We provide excellent educational, research, and placement opportunities to our students.

We encourage a collaborative culture in education, research, and knowledge exchange. Our industry collaboration and international academic alliances help students get global exposure and relevant industry experience to thrive in their fields.

## Scholarship

Acharya offers scholarships for meritorious students. The eligibility criteria for scholarships are based on their academic performance, sports scholarships, armed forces & who are from the financially backward categories (EWS/BPL).

## Holistic Learning

- Interactive learning through seminars and symposia.
- Group dynamics involving club activities.
- Outbound learning, industry visits and educational tours.
- International, summer / winter school with other partner institutions.
- International immersion and student exchange programmes.

## Training and Placements

Acharya has a centralised training department dedicated to ensuring quality training to boost the employability of the students. The 'Assess, Develop, Assess, Customise' (ADAC) strategy of the placement department has ensured that the quality of our students' employable skills has grown significantly.

Acharya's Placement Cell is committed to ease students transition from the classroom to the professional world.

### • Coursera Career Academy

Opportunity to upskill and get trained for the most in-demand careers from top industry leaders.

### • Industry Certified Add-on Courses & Specialization

Acharya's Collaboration with L&T, IBM, Microsoft, Adobe, Google & Red Hat to offer add-on programmes is aimed at bridging the gap between industry and academia which opens up an internship opportunity at these companies.

### • Boosting Students' Employability

Specialised training is offered by the eminent faculties to each student providing focused expertise in their field of study. The training offers technical, soft skills relevant to the placement company.

### • Assessment Oriented Training

Assessment-Oriented Training helps to identify individual strengths and room for improvement. The assessment gives insights into the student's skills, interests, and learning styles which helps provide tailored guidance.

## Student Life

There are numerous co-curricular and extracurricular activities that helps to shape the growth and personality of our students. Life at Acharya is active and educative. Few active clubs are :
