# INTER-COLLEGIATE IT FEST
# INFINTIY ASTRA-25

24th to 25th April 2025 | 09:00 am to 05:00 pm

ACHARYA INSTITUE OF GRADUATE STUDIES, Acharya Campus

## About the Program

Infinite Acuity aims to create a vibrant and supportive community of MCA students who are passionate about computer applications and are committed to personal and professional growth. The club's activities could include organizing workshops, seminars, guest lectures, coding competitions, and hackathons to expose students to the latest industry trends and technologies.

### Objectives of the Program

Infinity Astra - 2025, organized by the Department of Master of Computer Applications (MCA) at Acharya Institute of Graduate Studies (AIGS), is an inter-collegiate IT fest aimed at enhancing awareness about the latest trends and opportunities in the IT sector. It fosters networking among participants and celebrates the passion, achievements, and community spirit within the IT field.

### Expected outcomes of the programme

Infinity Astra – 2025 aims to ignite enthusiasm and showcase talent among UG and PG students through a diverse range of technical and creative events. The fest will foster innovation, teamwork, problem-solving, and leadership skills. It is expected to enhance students' exposure to real-world applications, boost inter-collegiate collaboration, and strengthen industry-academia connections, creating a vibrant and competitive learning atmosphere.
