

EMPOWERMENT THROUGH AWARENESS WOMEN’S RIGHTS AND SAFETY AT WORK

28th March 2025 | 10:30 am to 01:00 pm
MBA/MCA Auditorium, Acharya Campus

About the Program

- Create awareness about women’s rights and workplace safety regulations.
- Empower women to identify and address issues related to harassment and discrimination.
- Promote a culture of equality, respect, and inclusiveness in the workplace.
- Encourage organizations to implement effective safety measures and support systems for women.

Objectives of the Program

- Increased awareness and understanding of women’s rights and workplace safety regulations among participants.
- Enhanced ability of women to recognize, respond to, and address harassment and discrimination effectively.
- Strengthened workplace culture that fosters equality, respect, and inclusiveness for all employees.
- Encouragement for organizations to adopt and implement safety measures and support systems ensuring a secure and empowering environment for women.
