

SIMBA GPT

INSPIRING TOMORROW'S THINKERS

ACHARYA'S AI FEST

24th to 25th March 2025 | 09:00 am to 06:00 pm
 Acharya Campus, Bangalore

About the Program

Objectives of the Program

- Provide a platform for inter and intra-college students to explore recent advancements and breakthroughs in Artificial Intelligence.
- Facilitate knowledge exchange among students, researchers, and industry experts to enhance AI understanding and applications.
- Bridge the gap between academic learning and industry expectations through expert talks, discussions, and interactive sessions.
- Inspire students to engage in AI-driven research, innovation, and problem-solving.
- Equip participants with insights into emerging AI trends, preparing them for future career and research opportunities.

Expected Outcome of the Program

- Enhanced understanding of AI advancements and their real-world applications among students.
- Increased collaboration between inter and intra-college participants, fostering knowledge exchange and networking.
- Motivation for students to pursue AI-driven research and innovative projects.
- Strengthened industry-academia connections through expert talks and discussions.
- Improved career readiness by equipping students with insights into AI trends and future opportunities.

About the Promptathon

- **IIVIS Labs from Mysore** will lead the Promptathon by providing real-world **problem statements** for participants to solve.
- The event will be held for **24 hours on Acharya campus**, starting from **24th March at 10:00 AM** and concluding on **25th March at 10:00 AM**.
- **350 students** will be participating, including **15 teams from different colleges across India**.
- **Winners will get an exclusive opportunity to work with IIVIS Labs** on a live project.
- **All participants will receive official certificates from IIVIS Labs** in recognition of their efforts.

Facilities & Support for Participants

To ensure a smooth and comfortable experience, the following arrangements have been made for all participants:

- **Medical Assistance** – 24-hour medical support available at the venue.
- **Security Arrangements** – Round-the-clock security to ensure participant safety.
- **Refreshments & Break Areas** – Snacks, beverages, and relaxation zones to keep participants energized.
- **Gaming & Recreation Zone** – Carrom, chess boards, and other activities for short breaks.
- **Music & Entertainment** – Fun-filled music sessions and engaging activities to keep the energy high throughout the night.

Day 2: AI Innovation & Competitions - 25th Mar 2025

Time Slot	Event
10:00 AM - 11:00 AM	Keynote Speaker talk
11:00 AM - 12:30 PM	AI Innovation Challenge
11:00 AM - 12:30 PM	AI Debate : "AI - A Friend or Foe?"
12:30 PM - 01:30 PM	Lunch & Expo Visit
01:30 PM - 04:00 PM	AI Quiz Competition
04:30 PM - 05:00 PM	Refreshments & Networking
05:00 PM - 06:00 PM	Closing Ceremony & Prize Distribution

About the College

Founded in 1990, Acharya aims to revolutionize education. With over 12,000 students and 100+ academic programs annually, it stands among the global education elite. Located in India's technical hub, Bangalore, Acharya prioritizes innovation and knowledge. The campus is spread across 120-acres and houses a centralized library, state-of-the-art laboratories, academic studios, and a 10,000+ seating stadium along with academic blocks. The institution fosters experiential and collaborative learning, shaping well-rounded individuals, evident in its diverse student population from 75+ countries.

Acharya is an eco-friendly campus and its design reflects on our commitment to protecting nature. Through extensive afforestation of land, rainwater harvesting, creation of a 4-acre artificial lake, water treatment, use of alternative energy sources, and a ban on using substances that are not environment-friendly, we ensure our students learn the importance of sustainable living practices.

The campus provides an ideal environment for students to unleash their creativity and take significant strides towards achieving their aspirations.

Vision and Mission of the College

Vision : Acharya, committed to the cause of value-based education in all disciplines, envisions itself as a fountainhead of innovative human enterprise, with inspirational initiatives for academic excellence.

Mission : Acharya strives to provide excellent academic ambience to the students for achieving global standards of technical education, foster intellectual and personal development, meaningful research, ethical, and sustainable service to societal needs.

Acharya Institute of Technology

Acharya Dr. S. Radhakrishnan Road, Acharya P.O
 Soladevanahalli, Bangalore - 560107, Karnataka, India.
