Resource Person Details

Mr. Hemanth Niranjana

Founder & CEO of Nuevera Infotech Pvt Ltd.

Hemant Niranjana is a visionary entrepreneur, innovative leader, and strategic thinker who has made a remarkable impact across multiple industries. As the Founder & CEO of Nuevera Infotech Pvt Ltd, he has spearheaded groundbreaking projects in technology, logistics, construction, and business development, with a mission to revolutionize industries through innovation and excellence.

A proud alumnus of Acharya Polytechnic, Hemant's journey from the campus to becoming a nationally recognized personality in India is a testament to his relentless drive, forward thinking leadership, and entrepreneurial acumen. His name was featured in "Notable Personalities of India 2024", recognizing his contributions to business, technology, and leadership.

With over a decade of experience in civil contracting, Hemant has successfully managed large-scale residential and commercial construction projects, leading a workforce of 150+ professionals. His vision extends beyond construction, as he actively integrates business, technology, and management to create sustainable and profitable ventures.

Beyond his corporate achievements, Hemant is passionate about mentorship, leadership development, and innovation-driven education. He has designed corporate training programs aimed at shaping future entrepreneurs and professionals, equipping them with the skills needed to excel in dynamic industries.

His entrepreneurial spirit is fueled by a commitment to expanding horizons, fostering collaborations, and creating transformative business solutions. As he returns to Acharya Institute, he seeks to inspire the next generation of leaders, proving that with vision, determination, and strategic innovation, success knows no limits.
