## **B.SC FASHION AND APPAREL DESIGN**

## About

The program focuses on the comprehensive study of fashion, clothing, and apparel design. This course typically covers various aspects of the fashion industry, combining theoretical knowledge with practical skills.

## Career Scope

After obtaining a BSc in Fashion and Apparel Design, students have access to a variety of professional opportunities in the industry. They can pursue careers as retail managers, textile designers, and sales executives, as well as take on roles as fashion stylists and fabric quality control managers. Additionally, positions such as fashion consultants and fashion coordinators offer further avenues for graduates to apply their creativity and expertise.

## Eligibility

Candidates who have completed Two years Pre – University course of Karnataka State or its equivalent are eligible for admission into this course as notified by the University from time to time.

**Duration**
