Acharya Institute of Allied Health Sciences

Established in 2019, Acharya Institute of Allied Health Sciences provides a bachelor's program in a range of diagnostic, technical, therapeutic, and support services related to health care. Demonstrating our dedication to students, AIAHS goes beyond the standard curriculum by organizing seminars and workshops. These events aim to enhance awareness and facilitate direct engagement with experienced practitioners across diverse fields.

State-of-the-art laboratories

Acharya boasts state-of-the-art laboratories that provide students with opportunities to gain practical knowledge of theoretical aspects. The specialized labs help students engage in hands-on learning experiences to develop essential clinical skills and competencies. They are equipped with modern equipment and technology to provide students with practical training in pharmaceutical preparation, patient care, diagnostic procedures, and therapeutic interventions. Our tie-up with hospitals also helps students gain insight into all aspects of patient-care.

Placement

Through strategic industry partnerships, we secure placements in leading institutions for our students. With an annual influx of over 550 companies, our students have achieved an impressive record package of 65 LPA.

The Training and Placement Cell at Acharya serves as a dynamic bridge connecting academic excellence with professional success. We are committed to preparing students for the competitive industry landscape, ensuring they emerge as leaders in their respective fields. Acharya also provides training to students to enhance their technical proficiency, soft skills, and industry-specific knowledge. Conducted by seasoned professionals and experts, these programs include workshops, seminars, internships, and hands-on experiences.

Campus of Excellence

International Collaborations

Acharya has consistently been a pioneering force in bringing together exceptional minds from around the world, fostering collaborations with more than 80+ renowned international universities and 70+ top industries.

Scholarships

At Acharya, we are committed to fostering inclusivity and supporting students in their academic pursuits, regardless of their geographical origin. Therefore, we extend our scholarship opportunities to both domestic and international students.

These scholarships serve as a vital resource in alleviating financial barriers that may hinder students' access to higher education. By offering financial assistance, we empower students to pursue their academic aspirations without the burden of excessive financial strain, enabling them to focus more on their studies and personal growth.

[KNOW MORE](#)

Center of Excellence

Acharya stands as a center of excellence, attracting numerous industries to establish cutting-edge laboratories on its campus. These industry collaborations provide students with unparalleled opportunities for hands-on learning, research, and real-world application of theoretical knowledge, fostering a dynamic environment of innovation and industry integration.

Students gain

- Enhanced Learning Opportunities
- Industry Integration
- Research and Innovation
- Career Opportunities
- Networking and Collaboration

Acharya Technology Business Incubator (TBI)

Acharya's Business Incubator is dedicated to nurturing students' entrepreneurial visions, offering crucial support to technology-based startups, and forming strategic alliances between the institution and the fledgling businesses. By guiding startups through early-stage challenges and providing essential aid, the incubator plays a vital role in fostering economic development, job creation, and the realisation of innovative ideas. We ensure that students' innovative ideas persist beyond graduation, offering them the platform they need to succeed.

Life @ Acharya

Library

At the heart of the campus is the Central Library or Learning Resource Centre(LRC) offering a dynamic environment for intellectual exploration. Spanning three floors with a generous 4,289 sqm area, it accommodates up to 500 users simultaneously, serving over 15,000 students, research scholars, and 1,000 faculty members. The LRC boasts multiple study spaces, research support, state-of-the-art ICT facilities, Wi-Fi, and a Virtual Learning Resource Lab.

Sports & Clubs

Acharya has outstanding sports facilities, promoting a dynamic sporting culture that nurtures teamwork, leadership, tolerance, and determination. Annual events like the Acharya Premier League, Football League, Pro Kabaddi League, and Volleyball Tournament highlight student passion and skills, fostering a lively atmosphere on campus in March for healthy competition. Our 10,000-seater stadium, enhanced with state-of-the-art floodlights for optimal illumination, adds a touch of grandeur to sporting events hosted within its premises.

Our students have the chance to participate in a wide range of sports and receive consistent training from seasoned coaches. Engaging in regular training sessions and actively participating in competitions have led to the college receiving numerous accolades through their achievements. Many of our champions at the university level are dedicated to continuously challenging and surpassing records.

Habba

Acharya Habba, our annual techno-cultural fest, is a three-day extravaganza drawing 25,000+ students from 300+ colleges in Karnataka. With 50+ events, it offers a vibrant platform for talent showcases, music, and cultural collaborations, enhancing students' college life. The festival, launched in 2005, has become one of Bangalore's biggest college events, hosting over 50,000 guests in 2023.

Renowned musicians like Gurukiran and Benny Dayal have previously graced the stage at the festival. Numerous talented artists have brought art and music to life at Acharya Habba, showcasing their creativity along with various cultural displays by students.

Hostels

We are committed to prioritizing resident satisfaction, aiming to create an environment where everyone feels at home. We provide a range of diverse facilities and affordable dining options to cater to the needs and preferences of our residents. With a total of 12 residences, 5 allocated for boys and 7 for girls, we can accommodate up to 1500 residents in single, double, or triple occupancy rooms, ensuring a comfortable living experience.

Common areas are thoughtfully equipped with amenities like TVs, newspapers, dining areas, kitchenettes, and laundry facilities, promoting a sense of community and convenience. Each residential building is overseen by dedicated warden members, managers, and supervisors who provide necessary support and guidance.

Programs Offered

B.Sc Anesthesia and Operation Theatre Technology

The BSc program in Anesthesia and Operation Theatre Technology is designed to equip students with comprehensive clinical exposure, enabling them to become confident medical professionals in the operation theatre, both before and after medical procedures. Through this program, students acquire in-depth knowledge of various anesthesia techniques, familiarize themselves with a wide range of instruments, and gain expertise in handling relevant technology.

[KNOW MORE](#)

B.Sc in Respiratory Care Technology

This undergraduate program is crafted to equip students with the skills needed to support healthcare professionals in evaluating, diagnosing, and treating patients with cardiopulmonary disorders. As respiratory diseases become increasingly prevalent, respiratory care professionals play a vital role in enhancing the well-being of individuals with respiratory problems. Students learn about the anatomy and function of the respiratory system, including the lungs, airways, and related structures. The nature and causes of respiratory diseases and disorders, including asthma, chronic obstructive pulmonary disease, and respiratory infections are taught.

[KNOW MORE](#)

B.Sc in Renal Dialysis Technology

B.Sc Renal Dialysis Technology is a specialized program dedicated to hemodialysis. With a focus on empowering students to provide specialized care to individuals with chronic renal diseases, the curriculum covers essential subjects such as Human Anatomy, Physiology, Biochemistry, Microbiology, and Pathology. The program emphasizes a solid understanding of medical terminology, human anatomy, and physiology, with a focus on the renal system and kidney function. Students learn the principles of hemodialysis, peritoneal dialysis, and continuous renal replacement therapy.

[KNOW MORE](#)

B.Sc in Optometry

The Bachelor of Science in Optometry program is a comprehensive undergraduate course focusing on the study and application of vision care. Students undergo training in examining eyes, diagnosing and treating vision problems, and prescribing lenses and other vision therapies. The curriculum covers subjects like Basic Biochemistry, Ocular Anatomy and Physiology, Geometric Optics, Contact Lenses, and more. Our dedicated optometry clinic provides students with hands-on practical knowledge

[KNOW MORE](#)

B.Sc in Imaging Technology

The B.Sc in Imaging Technology stands as a specialized program aimed at providing students with comprehensive training in various advanced medical imaging techniques. Covering branches like CT, X-ray, Molecular Imaging, and more, the curriculum strikes a balance between medical and technical aspects. Students learn the fundamental principles of radiation, its properties, and how it interacts with matter. Understanding human anatomy and physiology is crucial for producing high-quality medical images.

[KNOW MORE](#)

B.Sc in Medical Lab Technology

The B.Sc in Medical Lab Technology is a dynamic undergraduate program designed to equip students with the skills and knowledge needed to excel as Medical Lab Technologists. With a focus on hands-on training and a comprehensive curriculum, this program prepares graduates for a rewarding career in the ever-evolving field of healthcare. Coursework includes modules in the foundational sciences, including biology, chemistry, and anatomy and physiology. Students learn medical terminology used in healthcare settings.

[KNOW MORE](#)

Bachelor in Hospital Administration

This is a comprehensive undergraduate program tailored for individuals with leadership and organizational acumen. Foundational courses covering the basics of healthcare management, organizational behavior, and principles of administration are taught. Students learn about the systems and processes for managing health information.

[KNOW MORE](#)

Bachelor in Occupational Therapy

Occupational therapy focuses on helping individuals of all ages overcome challenges in daily life due to physical, cognitive, emotional, or developmental issues. The goal is to enhance individuals' ability to participate in meaningful activities and improve their overall quality of life. Courses in anatomy, physiology, psychology, and sociology provide a solid understanding of the human body, mind, and social context.

PROGRAMS OFFERED

ACHARYA INSTITUTE OF TECHNOLOGY

Bachelor of Engineering Programmes (B.E.)

- Aeronautical Engineering
- Artificial Intelligence & Machine Learning Engineering
- Biotechnology Engineering
- Civil Engineering
- Computer Science & Engineering
- Computer Science Engineering (Data Science)
- Electrical & Electronics Engineering
- Electronics & Communication Engineering
- Information Science & Engineering
- Mechanical Engineering
- Mechatronics Engineering

Post Graduate Programmes

- Master of Business Administration - VTU
- Master of Computer Application - VTU

ACHARYA POLYTECHNIC

Diploma Programmes in Engineering

- Aeronautical
- Apparel Designing and Fabrication Technology
- Architecture
- Civil
- Computer Science
- Electronics & Communication Engineering
- Electrical Engineering & Electrical Vehicle Technology
- Gaming & Animation
- Mechanical Engineering

ACHARYA SCHOOL OF DESIGN

Bachelor of Visual Arts (B.V.A.)

- Animation & Game Art
- Graphic & Communication Design
- Interior and Spatial Design
- Product Design

ACHARYA INSTITUTE OF GRADUATE STUDIES

Bachelor Programmes

- B.B.A - Bachelor of Business Administration
- B.B.A - Aviation
- B.B.A - Business Analytics
- B.B.A - Digital Marketing
- B.C.A - Bachelor of Computer Application
- B.C.A - Cloud Computing
- B.C.A - Data Science
- B.Com - Bachelor of Commerce
- B.Com - Bachelor of Commerce (CMA)
- B.S.W - Bachelor of Social Work
- B.A - Criminology | Psychology | English | Journalism
- B.Sc - Computer Science -Data Science
- B.Sc - Fashion & Apparel Design
- B.Sc - Physics | Mathematics | Computer Sci.

Post Graduate Programmes

- Master of Business Administration - BCU
- Master of Computer Application - BCU
- Master of Commerce (M.Com)
- Master of Social Work (M.S.W)
- M.A - Journalism & Mass Communication
- M.A - English
- M.Sc - Computer Science
- M.Sc - Psychology
- M.Sc - Physics | Chemistry

SMT. NAGARATHNAMMA SCHOOL OF NURSING

- G.N.M. Dip. in General Nursing & Midwifery

SMT. NAGARATHNAMMA COLLEGE OF NURSING

- Basic B.Sc Nursing
- Post Basic B.Sc Nursing

ACHARYA & B.M. REDDY COLLEGE OF PHARMACY

- Diploma in Pharmacy (D.Pharm)
- Bachelor of Pharmacy (B.Pharm)
- Doctor of Pharmacy (Pharm D)
- Post Baccalaureate (Pharm D)
- M.Pharm:
 - Drug Regulatory Affairs
 - Pharmaceutics
 - Pharmacology
 - Pharmaceutical Analysis
 - Pharmaceutical Chemistry
 - Quality Assurance

ACHARYA INSTITUTE OF ALLIED HEALTH SCIENCES

Bachelor of Science Programmes

- Anesthesia & Operation Theater Technology
- Imaging Technology
- Medical Lab Technology
- Optometry
- Renal Dialysis Technology
- Respiratory Care Technology

Bachelor Degree Programmes

- Bachelor of Hospital Administration
- Bachelor in Occupational Therapy

ACHARYA'S NRV SCHOOL OF ARCHITECTURE

- Bachelor of Architecture (B.Arch)
