School of Design

Step into the heart of creative innovation, where design takes flight – welcome to Acharya School of Design.
Our institution has become a beacon of artistic prowess, dedicated to shaping the designers and creative leaders of tomorrow.Acharya School of Design offers comprehensive study of the field, and enriches the talents of young designers. It follows NEP-complaint design curriculum and prepares them in a career of highly sought-after design roles.

Enrichment programs

Acharya is dedicated to ensuring the employability and industry relevance of our students through an extensive array of both long-term and short-term value-added programs. These programs are meticulously designed to align with current industrial standards, providing students with a competitive edge in the job market.

Acharya's collaboration with companies across IT, non-IT, manufacturing, and design sectors exemplifies the practical implementation of integrated education principles. Through partnerships with industry leaders, Acharya provides students with invaluable real-world exposure and hands-on training opportunities. From engaging in real-time projects to undertaking internships and participating in hackathons, students are immersed in experiential learning experiences that prepare them for the challenges of the workforce.

Comprehensive training in Autodesk Software and UI/UX Design are provided to students to significantly enhance their skill set.

Digital Hub

At Acharya, inclusive education is our top priority. We understand the importance of equipping students with essential tools for success in today's competitive job market, and laptops are integral to this mission. By seamlessly integrating laptops into daily life of students, we ensure that they are fully prepared for the challenges they'll face beyond the classroom.

We provide students with high-configured laptops suitable for their curriculum needs, thereby empowering them to access educational materials and resources seamlessly, whether they're on campus or studying remotely.

We pride ourselves on being a Wi-Fi-enabled campus, providing seamless internet connectivity to our students across our sprawling grounds. We ensure that our students have access to the necessary software tools for their educational requirements.

KNOW MORE

State-of-the-art studio

Acharya boasts state-of-the-art laboratories that provide students with opportunities to gain practical knowledge of theoretical aspects. The design stream features an academic studio, providing students with an ideal environment to blend theoretical learning with hands-on practice.

Placement

Through strategic industry partnerships, we secure placements in leading institutions for our students. With an annual influx of over 550 companies, our students have achieved an impressive record package of 65 LPA.

The Training and Placement Cell at Acharya serves as a dynamic bridge connecting academic excellence with professional success. We are committed to preparing students for the competitive industry landscape, ensuring they emerge as leaders in their respective fields. Acharya also provides training to students to enhance their technical proficiency, soft skills, and industry-specific knowledge. Conducted by seasoned professionals and experts, these programs include workshops, seminars, internships, and hands-on experiences.

Campus of Excellence

International Collaborations

Acharya has consistently been a pioneering force in bringing together exceptional minds from around the world, fostering collaborations with more than 80+ renowned international universities and 70+ top industries.

Scholarships

At Acharya, we are committed to fostering inclusivity and supporting students in their academic pursuits, regardless of their geographical origin. Therefore, we extend our scholarship opportunities to both domestic and international students. These scholarships serve as a vital resource in alleviating financial barriers that may hinder students' access to higher education. By offering financial assistance, we empower students to pursue their academic aspirations without the burden of excessive financial strain, enabling them to focus more on their studies and personal growth.

KNOW MORE

Coursera

At Acharya, students also have unlimited access to Coursera's extensive catalogue of programs. This allows them to undergo certification programs to enhance their knowledge. Students from any academic background can enroll in a diverse range of programs available on Coursera, expanding their learning horizons beyond their core curriculum.

Center of Excellence

Acharya stands as a center of excellence, attracting numerous industries to establish cutting-edge laboratories on its campus. These industry collaborations provide students with unparalleled opportunities for hands-on learning, research, and real-world application of theoretical knowledge, fostering a dynamic environment of innovation and industry integration.

Students gain

- Enhanced Learning Opportunities
- Industry Integration
- Research and Innovation
- Career Opportunities
- Networking and Collaboration

Acharya Technology Business Incubator (TBI)

Acharya's Business Incubator is dedicated to nurturing students' entrepreneurial visions, offering crucial support to technology-based startups, and forming strategic alliances between the institution and the fledgling businesses. By guiding startups through early-stage challenges and providing essential aid, the incubator plays a vital role in fostering economic development, job creation, and the realisation of innovative ideas. We ensure that students' innovative ideas persist beyond graduation, offering them the platform they need to succeed.

Life @ Acharya

Library

At the heart of the campus is the Central Library or Learning Resource Centre(LRC) offering a dynamic environment for intellectual exploration. Spanning three floors with a generous 4,289 sqm area, it accommodates up to 500 users simultaneously, serving over 15,000 students, research scholars, and 1,000 faculty members. The LRC boasts multiple study spaces, research support, state-of-the-art ICT facilities, Wi-Fi, and a Virtual Learning Resource Lab.

Sports & Clubs

Acharya has outstanding sports facilities, promoting a dynamic sporting culture that nurtures teamwork, leadership, tolerance, and determination. Annual events like the Acharya Premier League, Football League, Pro Kabaddi League, and Volleyball Tournament highlight student passion and skills, fostering a lively atmosphere on campus in March for healthy competition. Our 10,000-seater stadium, enhanced with state-of-the-art floodlights for optimal illumination, adds a touch of grandeur to sporting events hosted within its premises.

Our students have the chance to participate in a wide range of sports and receive consistent training from seasoned coaches. Engaging in regular training sessions and actively participating in competitions have led to the college receiving numerous accolades through their achievements. Many of our champions at the university level are dedicated to continuously challenging and surpassing records.

Habba

Acharya Habba, our annual techno-cultural fest, is a three-day extravaganza drawing 25,000+ students from 300+ colleges in Karnataka. With 50+ events, it offers a vibrant platform for talent showcases, music, and cultural collaborations, enhancing students' college life. The festival, launched in 2005, has become one of Bangalore's biggest college events, hosting over 50,000 guests in 2023.

Renowned musicians like Gurukiran and Benny Dayal have previously graced the stage at the festival. Numerous talented artists have brought art and music to life at Acharya Habba, showcasing their creativity along with various cultural displays by students.

Hostels

We are committed to prioritizing resident satisfaction, aiming to create an environment where everyone feels at home. We provide a range of diverse facilities and affordable dining options to cater to the needs and preferences of our residents. With a total of 12 residences, 5 allocated for boys and 7 for girls, we can accommodate up to 1500 residents in single, double, or triple occupancy rooms, ensuring a comfortable living experience.

Common areas are thoughtfully equipped with amenities like TVs, newspapers, dining areas, kitchenettes, and laundry facilities, promoting a sense of community and convenience. Each residential building is overseen by dedicated warden members, managers, and supervisors who provide necessary support and guidance.

Our programs:

B.V.A Animation & Game Art

Autodesk powered by **medhini**

Bachelor of Visual Arts, is a four-year degree program that covers topics such as animation principles, character design, animation VFX, animation films, game design, digital animation, graphic design, animation and multimedia design, etc. Acharya's BVA in Animation and Game Art will teach you storytelling through the game and how to apply animation techniques to create and animate characters, textures, props, environments, and collision objects using 2D and 3D platforms. Our collaboration with Medhini ensures comprehensive exposure to AutoDesk software, enhancing students' proficiency in industry-standard tools.

KNOW MORE

B.V.A Graphic & Communication Design

UI & UX Design Certifications powered by **DESIGNBOAT UI/UX SCHOOL**

The Bachelor's Degree in Graphic and Communication program lays the foundation for all design aspects. The communication design course includes a special emphasis on user experience. Students receive hands-on training in design software and exposure to real-world designer projects facilitated through our collaboration with Design Boat, ensuring certifications in UX/UI.

KNOW MORE

B.V.A Interior & Spatial Design

Autodesk powered by **medhini**

The core objective of the course is to understand that humans are always associated with space and have an increasingly deeper association with the space they live, work, or visit. In the process of living together, spaces will develop their own identities that are connected to the aesthetic appreciation, taste, and style of human beings. Acharya's BVA in Interior & Spatial Design will help students develop sensibilities to identify human beings' relationships with their spaces. Our collaboration with Medhini ensures comprehensive exposure to AutoDesk software, enhancing students' proficiency in industry-standard tools.

KNOW MORE

B.V.A Product Design

Autodesk powered by **medhini**

The program's core goal is to impart extensive knowledge in Product Design, emphasizing understanding the product persona and problem-solving with a focus on sustainability and aesthetics. Through our collaboration with Medhini, students benefit from a holistic exposure to AutoDesk software, significantly enhancing their proficiency in utilizing industry-standard tools.
