- Purpose-built infrastructure with well-equipped labs, sports facilities, and a digitized central library.

## **DIPLoma IN APPAREL DESIGNING AND FABRICATION TECHNOLOGY**

## About

Acharya Polytechnic's Apparel Design and Fabrication Technology program is crafted for highly creative individuals with a unique sense of intuition. It focuses on the collective art of fashion expression, emphasizing both glamour and practicality.

## Career Scope

The thriving global clothing and apparel industries, coupled with India's vibrant fashion scene, create a promising landscape for graduates of this course. Graduates can explore diverse career opportunities as Fashion Designer, Textile Technologist, and Merchandiser, focusing on the creative and technical aspects of the industry. Additionally, roles like Pattern Maker and Quality Control Specialist ensure that graduates can contribute significantly to the production and quality of fashion items.

## Eligibility

Pass in SSLC / 10th / 'O' Level from any recognised Board or Council with an aggregate of 35%

**Duration**  
**3** years
