**M PHARM DRUG  
REGULATORY AFFAIRS**

## About

M Pharm in Drug Regulatory Affairs is a postgraduate program that focuses on providing advanced education and training in the field of drug regulatory affairs. The course is designed to provide students with a comprehensive understanding of pharmaceutical regulations and compliance, as well as the skills needed to navigate the complex and ever-evolving regulatory landscape in the pharmaceutical industry.

## Career Scope

An M Pharm in Drug Regulatory Affairs opens up a diverse array of career opportunities for graduates in the pharmaceutical and regulatory sectors. Individuals with this qualification can pursue roles such as Regulatory Affairs Specialist, Regulatory Affairs Manager, or Quality Assurance Specialist. Other potential career paths include Pharmacovigilance Specialist, Regulatory Compliance Officer, Drug Safety Officer, and Clinical Research Regulatory Coordinator.

## Eligibility

Pass in B.Pharm degree from any university recognised as equivalent by PCI and AICTE with the minimum of 55% aggregate.

A young man with dark hair and a beard, wearing a white lab coat over a dark shirt and blue jeans, is sitting outdoors on a grassy area. He is smiling and looking towards the camera. The background is a blurred green field.

**Duration**  
**2** years

# COURSE CONTENT
