

ACHARYA POLYTECHNIC

Affiliated to DTE

- Immerse yourself in a vibrant campus that fosters community and collaboration.
- Dynamic education model that adapts to industry needs for modern workforce readiness.
- Hands-on training through immersive, real-world experiences that apply theory to practice.
- Outbound learning opportunities that enhance adaptability and exposure to diverse environments.
- Holistic curriculum focused on technical skills as well as personal and professional development.
- Purpose-built infrastructure with well-equipped labs, sports facilities, and a digitized central library.

DIPLOMA IN ARCHITECTURE ENGINEERING

About

The Department of Architecture at Acharya Polytechnic helps students to learn the fundamentals of design and balances the curriculum with good exposure through practical learning. Diploma in Architecture Engineering is a certificate-level course in the domain of Architectural engineering and its related areas.

Career Scope

Pursuing a career in architecture offers both lucrative fulfillment and creative satisfaction. Graduates can explore diverse opportunities as Architectural Drafter, Urban Planner, and Building Information Modeling (BIM) Technician, focusing on the technical and creative aspects of design. Additionally, roles like Architectural Technician and Surveying Technician allow professionals to contribute to the planning and execution of innovative architectural projects.

Eligibility

Pass in SSLC / 10th / HSC or equivalent (with science & mathematics subjects) from any recognized Board or Council with an aggregate of 35%.

Duration
3 years

COURSE CONTENT

Semester 1

Theory Courses

- Materials of Construction
- Practical Courses
- Statistics and Analytics
- Architectural Graphics
- Fundamental of Electrical & Electronics Engineering

Audit Courses

- Environment Sustainability
- Sports/NCC/NSS/Yoga

Semester 2

Theory Courses

- Project Management Skills
- Engineering Mathematics

Practical Courses

- Visual Art and Drawing
- IT Skills
- Communication Skills
- Audit Courses
- Kannada – I

Semester 3

Integrated Courses

- Building Construction and Drawing-I
- Architectural Drawing-I
- Computer Aided Drafting
- Surveying Practice

Audit Courses

- Kannada – II

Semester 4

Integrated Courses

- Building Construction and Drawing-II
- Architectural Drawing-II
- Computer Aided Presentation Technique
- Building Services and Drawing

Audit Courses

- Indian Constitution

Semester 5

Programme Specialization Pathway

- Architectural Design and Working Drawing
- Interior Detailing and Quantity Surveying
- Rural And Urban planning
- Sustainable Architecture and Alternate Construction Techniques

Science and Research Pathway

Entrepreneurship Pathway

Semester 6

- Internship / Project

Acharya Legacy

Founded in 1990, Acharya aims to revolutionize education. With over 12,000 students and 100+ academic programs annually, it stands among the global education elite. Located in India's technical hub, Bangalore, Acharya prioritizes innovation and knowledge. The institution fosters experiential and collaborative learning, shaping well-rounded individuals, evident in its diverse student population from 75+ countries.

11 Institutions

15 Research Centers

100+ Programmes

75+ Nationalities

12000+ Students

1000+ Eminent Faculties

120 Acres State-of-the-Art Campus
